

Lyme Disease and Long-Term Antibiotics: Help or Harm?

Published on Sept. 1, 2017 (11th segment)

Panelists Samuel Shor, MD, FACP; Leonard Sigal, MD; Peter L. Salgo, MD; Patricia V. Smith; and Robert C. Bransfield, MD, DLFAPA, debate the existence of chronic Lyme disease and the use of longer-term antibiotics, and explore the impact a lack of consensus has on patients, providers, and the health care system.
