

Video and Video Game for Kids!

Watch Tick Video, Then Play Tick Tackler Video Game

Acting under the auspices of an Environmental Protection Agency grant, UMDNJ compiled an expert team to develop the video, TickLES (Tick Learning and Education for Schools) and the Tick Tackler Video Game and make it kid friendly and fun! LDA was a project collaborator and is responsible for hosting the [TickLES video](#) and [Tick Tackler Game](#) on its website for use by the public, for free.

The Lyme Disease Association (LDA) and the Game is not affiliated with Tick Tackler, LLC.
