3) LDA is Facilitating a Drawing To Help Raise Awareness About the Center

To take place on October 31, 2012 in which a lucky participant will be randomly selected to meet with Dr. Fallon and the Lyme and Tick-Borne Diseases Research Center Team. The chosen participant and one guest will take a free tour and be able to discuss the Center's activities while relaxing and having lunch. To sign up for a chance to enjoy this specially planned day please fill form out below.
