

# **URGENT: The Tick Act Needs Your Help Now!**

The Senate Tick Act (Collins, ME) was passed out of the Senate HELP Committee; however, it was a different bill than the one that was originally submitted to the Senate Committee that many Lyme groups supported. The HELP committee replaced it in its entirety with a Manager's Amendment, submitted "in the nature of a substitute," which still keeps the same bill number, S-1657, and it was renamed the *Kay Hagan Tick Act*. For more information and action to take...
