

Three Lyme-related bills have passed through the MD legislative process

LDA & most other Lyme groups were not favorable to 2 of these bills which we felt would have caused problems for docs and patients

HB 290- Doctor Protection- Voted Unfavorable in Committee and Withdrawn.

HB 798- Task Force- Voted Unfavorable in Committee and Withdrawn

HB 2- Reporting Cases- Voted Unfavorable in Committee and Withdrawn

Purpose of this last bill, HB 2, was unclear; it favored reporting, yet reporting was already done in MD
