

Senate Hearing on Lyme Disease

US Senator Richard Blumenthal (CT) held a 2 hour offsite HELP (Health, Education, Labor, & Pensions Committee) full committee field hearing – *Lyme Disease: A Comprehensive Approach to an Evolving Threat* – in Stamford, Connecticut, on August 30, 2012 . Several panels of individuals testified and everyone attending the hearing in the audience was invited to submit testimony, which then became part of the hearing record.
