

Lyme Disease: Theories for Longer-Term Manifestations

Published on August 21, 2017 (8th segment)

Panelists Peter L. Salgo, MD; Leonard Sigal, MD; Samuel Shor, MD, FACP; Robert C. Bransfield, MD, DLFAPA; and Patricia V. Smith outline potential theories for longer-term clinical manifestations that have a less clear-cut link to Lyme disease. [Click here for transcript of the video on Contagion® website](#)
