

LDA on “IS Outdoors” Radio Show

Pat Smith, President, Lyme Disease Association was featured in a segment about Lyme disease including symptoms of Lyme disease and how to protect against it. Outdoorsmen are at high risk for the disease, and particularly need to understand how to properly remove an attached tick and to be sure to perform tick checks. Ms. Smith answered questions posed by hosts Brock and Don on the ISOutdoors Radio Show . The 15 minute show airs Thursday April 26, 2012. Click below for the segment.
