

LDA Promotes Lyme Awareness on TV

On April 18, 2012, LDA President Pat Smith was interviewed live for 1/2 hour For Greenbriar I closed circuit TV. Greenbriar I is an active adult community of 1433 homes in Brick, New Jersey which is in Ocean County. Ocean County ranked 5th in NJ in 2010 reported Lyme case numbers. Ms. Smith spoke about symptoms, the difficulties in Lyme disease diagnosis and treatment, prevention, and case numbers. The show aired that day and will air other times throughout the spring.
