

#IGiveLDA – LDA's Annual Giving Campaign

GivingTuesday Is Here! It is an International Day of Giving.

LDA will continue our Annual Giving Campaign in conjunction with #GivingTuesday. This year LDA will focus on the four pillars of our mission: education, prevention, research, and patient support. Your donations will help LDA fulfill our mission. On average, 97% of contributions go directly to programs.

Our Giving Campaign will begin on 11/6 and end on 12/6. A page will be dedicated on the LDA website to the campaign with interesting information about our objectives and how you can support LDA. Visit [LDA Giving – Lyme Disease Association](#) to donate.

Two *Literati with Lyme* Authors had this to say about supporting the Lyme Disease Association's Giving Tuesday campaign:

Internationally Acclaimed author Amy Tan who helped initiate LDA's LymeAid 4 Kids: "It's Giving Tuesday! Many thanks to those who give generously to enable kids to get properly diagnosed and treated. You are making a profound difference in the lives of kids and their families."

Acclaimed Author and Literary Science Writing Award Winner Jordan Fisher Smith, a principal cast member and narrator for

the film, *Under Our Skin*: “When I was on my fifth doctor a year and a half into a tick-borne illness, the Lyme Disease Association was there for me. I don’t know where I’d be today without them. For 31 years they’ve been among the best friends we’ve had. Now, please be there for them. For Giving Tuesday, give generously to the Lyme Disease Association #GiveLDA”
