

Congressman Chris Smith Press Release – 2018 Tick-Borne Disease Working Group Report Confirms Lyme is Spreading, Time for Action is Now

The 2018 Tick-Borne Disease Working Group Report to Congress—the very first report by the new HHS Working Group—confirms what Rep. Chris Smith (R-NJ) and other advocates have long warned of, that incidents of Lyme disease and other tick-borne diseases are increasing and that more federal attention to the problem is needed, Smith said on Wednesday.
