

Lyme Disease Update: Science, Policy, & Law

By Marcus A. Cohen, Published 2004

LDA Ebook Note, 2018: Don't understand the Lyme issues and need a place to start? Lyme Disease Update: Science, Policy, & Law, published in 2004 by the Lyme Disease Association Inc. (LDA), is a resource book which summarizes the contentious issues in the prior decades of Lyme including some early legal actions. The LDA is pleased to now be able to offer an Ebook for free download : Kindle Ibook PDF

The book is a must for busy physicians who lack time to read the peer-review on Lyme disease and for patients who have been refused treatment or even a Lyme diagnosis, the doctor perhaps citing a negative test (the book documents seronegativity) or the patients' lack of conformity to the CDC criteria, which are meant for surveillance purposes only—the reference is cited in the Update.
