

NJ 2009-2010 Legislative Efforts

Neuroendocrine immune disorders

AR 122/SR133 New resolution, SR-20, introduced without the words "Lyme disease" in it in 2010

Initiated by chronic fatigue advocates

Asked NJ legislature to memorialize formation of NEI Center that includes Gulf War Syndrome, multiple chemical sensitivity, chronic fatigue syndrome, & Lyme disease

LDA and most other Lyme groups opposed the Resolution

Lyme not autoimmune disease but has specific bacterial cause

Motion did not come up for vote in Senate

Failed

Passed the Senate in June 2010

Bill is now Dead
