Program Description
An educational, fully CME-accredited program on Lyme & other tick-borne diseases for health care providers.

Educational Objectives:
- To learn about novel scientific methods that allow for rapid identification of new organisms
- To learn evidence linking differential gene expression of Borrelia burgdorferi to different disease manifestations
- To understand the pathophysiology of Lyme disease & potential significance of cyst forms of Borrelia burgdorferi
- To understand the immunologic effects of co-infection with Babesia microti
- To enhance skills in testing, differential diagnosis, and treatment for infection with Borrelia burgdorferi
- To learn about beneficial effects of antibiotics beyond the anti-microbial ones
- To understand the range of the host ticks for tick-borne diseases & the diversity of pathogens

Who should attend
Physicians of all specialties, nurses, psychologists, scientists, public health workers. It is also open to the public.

Accreditation & Disclosure Statements
The College of Physicians and Surgeons of Columbia University is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians. The College of Physicians and Surgeons designates this educational activity for a maximum of 8.75 AMA PRA Category 1 Credit(s). Physicians should only claim credit commensurate with the extent of their participation in the activity. This program has been planned and produced in accordance with the Essential Areas and Policies of the Accreditation Council for Continuing Medical Education (ACCME).

The College of Physicians & Surgeons must ensure balance, independence, objectivity, and scientific rigor in its educational activities. All faculty participating in this activity are required to disclose to the audience any significant financial interest and/or other relationship with the manufacturer(s)/of any commercial product(s) and/or provider(s) of commercial services discussed in his/her presentation and/or the commercial contributor(s) of this activity. When unlabeled uses are discussed, these will also be indicated.
