

Lyme Disease Educational Seminar

Distinguished Speakers

- **Dr. Robert Bransfield**, world renowned physician speaking about the Lyme controversy and treatment.
- **Dr. Jodie DaShore**, nationally recognized and widely published clinician speaking about holistic medicine and treatment.
- **Ms. Patricia Smith**, Lyme Disease Association President
- **Congressman Chris Smith**, Video Speech & Representative

Also Speaking

- **Doug Kahn** - A parent's perspective
- **Two Lyme patients** - Their experiences

Come, listen and talk with highly educated and experienced Lyme Literate practitioners, advocates and others. Hear a message of hope - how a parent navigated through the challenges and regained their child's health. Hear patients share their stories.

Time: April 25, 2015 from 2 PM to 5 PM

Location: 312 Hance Avenue, Tinton Falls, NJ 07724
(Monmouth Church of Christ building)

Free educational seminar. No admission fee. No donations.

Free refreshments and opportunity to network afterwards.

The Lyme Disease Association, Inc. has provided educational grant support to the sponsors of this event.
