Fr. Bob Bacik, Pastor of St. Gerard Catholic Church in Lansing, offered the following invocation:

“Almighty God, most merciful
Who reign over all of creation -

We ask Your favor, blessing and protection
on the members and staff of the House of Representatives.

Open their hearts and minds as they fulfill their sacred obligation to legislate on behalf of the people of the great state of Michigan.

Grant them wisdom and strength to work for justice and the common good of all Your beloved people.

Give them the innovation and courage necessary to find new ways to work and live together in unity and in peace— advancing and protecting the sacredness of life for the poor and vulnerable, working boldly for peace and nonviolence, the dignity of work, the freedom of thought and religion, and stewardship of our natural environment.

Bless, also, their families and loved ones who share their burden of responsibility.

We ask Your blessings on these United States of America. Keep us safe from terrorism, illness, and every other threat against us. Guide our work in all these endeavors.

Finally, bless this great state of Michigan, in all our diverse communities, that we might learn ever more how to be a people of love, hospitality and mercy.

In great hope we lift these prayers before You, Almighty God.

In the tradition of my Catholic faith, I offer you His blessing, through the intercession of Mary, our Mother, St. Joseph, her spouse, Blessed Solanus Casey of Detroit, and the Venerable Bishop Baraga Michigan’s great north +

In the name of the Father,
and of the Son,

A resolution to declare May 2024 as Military Appreciation Month in the state of Michigan.

Whereas, From our earliest days as a nation, our United States armed forces have acted with great courage and valor to defend, protect, and preserve the liberty we cherish. Indeed, our very heritage of freedom and democracy is owed to the devotion to country by and the vigilance of generations of servicemen and women; and

Whereas, It is fitting at this time to honor the legacy of strength, courage, and sacrifice of all those who have served and are now serving our country. Whether active duty, National Guard, or Reserve, our military has stood ready in times of peace and in times of conflict to answer our nation's call to duty; and

Whereas, This selfless service to country often demands special sacrifice and hardship not only from those who serve, but from their families as well. Throughout our nation's history, many families have borne the greatest burden of all through the loss of a loved one in defense of freedom. It is incumbent upon us as citizens of this great land to remember those sacrifices and to honor our servicemen and women and our veterans, especially those who died in defense of our freedom; and

Whereas, The month of May has been designated by Congress as a particularly appropriate time to recognize and honor our military families as we celebrate Loyalty Day, Victory in Europe (VE) Day, Military Spouse Day, Armed Forces Day, and Memorial Day all during the month of May; now, therefore, be it

Resolved by the House of Representatives, That the members of this legislative body declare May 2024 as Military Appreciation Month in the state of Michigan. We express our full support and gratitude to our servicemen and women, as well as our veterans; and be it further

Whereas, More than 4,000 treatment courts nationwide, including Michigan's 210 treatment courts, have restored the lives and families of more than 1.5 million individuals; and

Whereas, Outcomes have shown significant improvements to substance use disorder treatment, substantially reduced addiction and related crime, and do so at less expense than any other criminal justice strategy with a savings of an average of \$6,000 for every individual they serve; and

Whereas, Treatment courts facilitate community-wide partnerships, bringing together judges, prosecutors, defense attorneys, substance use disorder treatment and rehabilitation professionals, law enforcement and community supervision personnel, researchers and educators, national and community leaders, and others dedicated to drug courts and similar types of treatment programs are healing families and communities across the country; and

Whereas, In 2022, there were 3,138 motorcycle crashes on Michigan roads with 173 riders killed and 2,965 injured; and

Whereas, An overwhelming number of collisions between cars and motorcycles could be avoided with due regard, respect, and awareness of motorcycles on the streets and intersections of this state; and

Whereas, The inclusion of motorcycle awareness provided by ABATE of Michigan as a distinct part of the driver education curriculum and motorcycle rider education programs will help to promote safe driving and motorcycle riding practices, and

Whereas, Childcare programs, which are mostly small businesses, run and staffed predominantly by women, continue to recover from the health and financial hardships stemming from the pandemic to meet the needs of more families; and

Whereas, Childcare has been and continues to be a lifeline for families, communities, and the economy, and their work enables parents and guardians to pursue their own endeavors, knowing their children are in capable hands; and
